“Management of the Adult Congenital Heart Disease Patient: Are we making any progress?”

Dr. Marla Kiess

Clinical Professor, UBC Departments of Medicine and Radiology
Director, Pacific Adult Congenital Heart Clinic
Director, Electrodiagnostics Laboratory
Heart Centre, Providence Health Care

Dr. Jasmine Grewal

Clinical Assistant Professor, UBC Division of Cardiology
Director, Cardiac Obstetrics Clinic, St. Paul's Hospital
Member, Divisions of Cardiology,
Vancouver General Hospital & St. Paul's Hospital

Thursday, September 11, 2014

8:00am - 9:00am

Jim Pattison Paetzold Pavilion, VGH

Videolink to St Paul's Hospital

Cullen Family Lecture Theatre, Level 1 Providence Building

Dr Marla Kiess completed medical school at UBC, cardiology residency in Toronto, and a research fellowship in Nuclear Cardiology at Massachusetts General Hospital. She is Director of the Pacific Adult Congenital Heart Clinic, the Electrodiagnostic and Echocardiography Laboratories at Providence Health Care, and Clinical Professor of Medicine and Radiology at UBC. She was an examiner for the Royal College of Physicians & Surgeons of Canada. She spent many years serving on review and policy committees for the BC and Canadian Heart Foundations and was Co-Chair of the Clinical Trials Committee. She has been President of the BC Cardiac Society and the Canadian Society of Nuclear Cardiology. She has served on the Board of Directors of the Canadian Adult Congenital Heart Network and the American Society of Nuclear Cardiology. She has been on the organizing committees of many scientific meetings. She continues to be an abstract reviewer and has served as Chair of scientific sessions for the AHA, ACC, ASNC, ICNC, CCS and SNM. She was on the Editorial Board of the Journal of Nuclear Cardiology and has been a reviewer for many journals, including the JNC, JACC, JNM, AJC, Canadian Journal of Cardiology. Her research interests are in Nuclear Cardiology, Adult Congenital Heart Disease and heart disease in women.

Dr Jasmine Grewal is a Clinical Assistant Professor at the University of British Columbia and a member of the Divisions of Cardiology at St Paul's Hospital and Vancouver General Hospital. With fellowship training in Adult Congenital Heart Disease/Pregnancy and Heart Disease (Toronto General Hospital) and Echocardiography (Mayo Clinic, Rochester MN), Dr. Grewal is actively involved in clinical and research activities in these fields. Dr Grewal focuses her clinical time in the Pacific Adult Congenital Heart Disease and is the Director of the Cardiac Obstetrics Program at St. Paul's Hospital. Additionally, Dr. Grewal is an Echocardiographer and also works in the cardiac intensive care unit at St Paul's Hospital. She is actively engaged in clinical research, and is currently involved as a primary and co-investigator in numerous single centre and multi-centre research studies in the areas of congenital heart disease and pregnancy.
